

VIOM

VANDERBILT

School of Medicine

Vanderbilt Institute for Obesity and Metabolism

The VIOM provides opportunities for synergy and collaboration among basic scientists, clinicians, and public health professionals at Vanderbilt and its community partners, and provides a base of expertise for public (community) education, policy development and advocacy.

Bradford B. Lowell, M.D., Ph.D

*Professor of Medicine
Harvard Medical School
Beth Israel Deaconess Medical Center
Boston, MA*

The Wiring Diagram for Hunger and Satiety: Using Cell-Specific Cre/Lox Tools to Discover its Neural Basis

**12:00pm—Friday, September 13, 2013
206 Preston Research Building**

Hosted by Roger Cone, Ph.D.

Presented by the Vanderbilt School of Medicine, Vanderbilt Institute for Obesity and Metabolism. Vanderbilt School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Vanderbilt School of Medicine designates this educational activity for a maximum of **1 AMA PRA Category 1 Credit(s)™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

*The VIOM is a program of the Diabetes Research Training Center and
the Department of Molecular Physiology & Biophysics.*
