I am originally from Georgia, however, since my father was in the military I have lived in such places as Japan, Alaska, and Colorado. After moving to TN, I attended Middle Tennessee State University where I earned a B.A. in Foreign Language. I then went on to earn my A.A.S. in Veterinary Technology at Columbia State, graduating cum laude in 2001. I have been working in a private veterinary practice for the past 16 years. I just recently joined the Vanderbilt MMPC in 2015. I am an avid music fan and enjoy going to shows and concerts. I also enjoy reading and going to the beach in the summertime. My husband Pat and I have two children, Noah and Rebecca, who keep us extremely busy!
