

Welcome New VCSCB Faculty Members

WELCOME NEW VCSCB FACULTY MEMBERS

Keywords: [vcscb news](#)

[Expand](#)

Please welcome our newest Center faculty members, Ian Macara, Ethan Lee, Ken Lau, Chris Williams, Ethan Lippmann, Ed Levine, Sabine Fuhrmann and Vivian Gama. Four of these faculty are new to Vanderbilt (Lippmann, Levine, Fuhrmann and Gama) and all bring new and exciting research to the Center. We look forward to hearing about each one's research in the coming months at our SPRING meetings.
