

MP&B Student-Selected Faculty Seminar

Molecular Physiology & Biophysics Student-Selected Faculty Seminar

Keywords: [Wasserman](#) [Glucose](#) [Metabolism](#)

[Expand](#)

Meeting Details

Start Date / Time	November 11, 2015 at 12:00 PM
End Date / Time	November 11, 2015 at 1:00 PM
Duration	1 hour(s)
Location	206 Preston Research Building
Presenter Name	David H. Wasserman, Ph.D.
Presentation Title	Interaction of Physiological Mechanisms in Control of Glucose Metabolism
Status	This meeting has already occurred

Meeting Agenda/Notes

Hosted by MPB GSA
