

VCSCB TO HOST SYMPOSIUM – APRIL 4, 2019

The Center for Stem Cell Biology is proud to jointly host a symposium with the Epithelial Biology Center on **Thursday, April 4, 2019**.

The Symposium will feature two keynote speakers, **Hans Clevers, M.D., Ph.D.** from the University Medical Center Utrecht, Netherlands and **James Wells, Ph.D.** from Cincinnati Children's Hospital Medical Center.

Seven faculty members from the Vanderbilt community will also speak at the Symposium.

We encourage you to attend.
