## Attachments

 [COVID19\\_ramp\\_down.pdf](#) - Added on May 14, 2020 at 9:45 AM by [Jennifer Skelton](#)

4/30/2020: VGER plan for COVID-19 work restrictions

---

 [Reopening\\_of\\_the\\_Vanderbilt\\_Genome\\_Editing\\_Resource.pdf](#) - Added on June 22, 2020 at 10:50 AM by [Jennifer Skelton](#)

5/18/2020: VGER services resume

---

 [VGER\\_Announcement\\_Winter\\_2018.pdf](#) - Added on July 9, 2019 at 12:14 PM by [Jennifer Skelton](#)

12/1/2018: VGER Newsletter. New name, full service genome editing, improved cryopreservation, and Vanderbilt University ILAR code.

---

 [VGER\\_newsletter\\_December\\_2019.pdf](#) - Added on December 20, 2019 at 8:41 AM by [Jennifer Skelton](#)

12/1/2019: VGER Newsletter. PiggyBac transgenesis service, construction ends, SpCas9 proteins, and search for new staff member.

---

 [VGER\\_Newsletter\\_Summer\\_2019.pdf](#) - Added on July 9, 2019 at 12:14 PM by [Jennifer Skelton](#)

6/1/2019: VGER Newsletter. New genome editing services and project guarantees.

---

 [VGER\\_Newsletter\\_Summer\\_2020.pdf](#) - Added on June 22, 2020 at 10:50 AM by [Jennifer Skelton](#)

6/1/2020: VGER Newsletter. Construction and COVID-19 impact on VGER projects, genome editing efficiencies, and lessons learned.

---

 [VGER\\_Newsletter\\_Summer\\_2021.pdf](#) - Added on June 22, 2021 at 9:23 AM by [Jennifer Skelton](#)

6/11/2021: VGER Newsletter, tagging proteins in mice, CRISPRi, and alternative genome editing strategies.

---

 [VGER\\_Newsletter\\_Winter\\_2020.pdf](#) - Added on January 29, 2021 at 2:16 PM by [Jennifer Skelton](#)

12/1/2020: VGER Newsletter, CRISPR model validation, CRISPR degrees of difficulty, and cryopreservation benefits.

---
