We have resolved 14 ticketed new features, tasks, bugs, or improvements. Significant improvements are listed below.

## Highlight

Labnodes has launched its sixth citation survey for S10 Shared Instrumentation, in joint collaboration with the offices of the VU Vice Provost for Research & the VUMC Executive Vice President for Research. In compliance with the National Institutes of Health, Labnodes is being used to help collect data regarding usage of S10 Shared Instrumentation Grant Awards received in the last five years.
