The **Vanderbilt Diabetes Research and Training Center (DRTC)** is a NIH-sponsored Diabetes Center that facilitates the discovery, application, and translation of scientific knowledge to improve the care of patients with diabetes involving more than 120 faculty distributed among 15 departments in 3 schools and 4 colleges at Vanderbilt and neighboring Meharry Medical College.

The DRTC's weekly **DRTC Seminar Series** brings distinguished scientists to Vanderbilt and its annual **Diabetes Day** gathers all scientists conducting diabetes-related research at Vanderbilt and Meharry.
