Antibody Annotations

Clone Name	6H11
Antigen	p120
Antigen Gene ID	<i>Not Provided</i>
Source of Antigen	Mouse
Type	Monoclonal
Isotype	IgG1
Group Type	Primary
Immunogen Source	Fusion Protein
Peptide	<i>Not Provided</i>
Raised in	Mouse
Cross Reacts with	Unknown
Conjugation Type	<i>Not Provided</i>
Antigen Purity	Purified purified on a protein G column
Positive Control	<i>Not Provided</i>
Concentration	0.5mg/ml

Source

Laboratory	Vanderbilt Antibody and Protein Resource
Made by	VAPR
Stock Date	<i>Not provided</i>

Inventory Location

Private

Characterization Data

Not provided
