Antibody Annotations

Clone Name	7A4
Antigen	P-TYR
Antigen Gene ID	<i>Not Provided</i>
Source of Antigen	Mouse
Type	Monoclonal
Isotype	IgG2b
Group Type	Primary
Immunogen Source	Fusion Protein
Peptide	<i>Not Provided</i>
Raised in	Mouse
Cross Reacts with	Unknown
Conjugation Type	<i>Not Provided</i>
Antigen Purity	Affinity Purified purified on a protein G column
Positive Control	<i>Not Provided</i>
Concentration	0.5mg/ml

Source

Laboratory	Vanderbilt Antibody and Protein Resource
Made by	VAPR

Inventory Location

Private
